

# NOBUS CLOUD SERVICES

*Digital Transformation through Cloud*

**Introducing the NCS Platform**

Bringing Cloud Services Closer to your Business

## Our Four Lenses

### Who We Are

- NKPONANI LIMITED is a Nigerian Company
- Nobus Cloud Services (NCS) is our flagship Public cloud Service tailored to address the needs of Local & International businesses in Nigeria

### Location

- Hosted in a Tier III Datacenter Facility in Lagos, Nigeria

### Technology

- Built with Hyper Scale Technology to meet Global Public Cloud Standards

### Cost Value Proposition

- Comparable to other public cloud providers
- Pay as you use model
- Monthly, Quarterly, Bi-annual & Annual

## Why Nobus

### Speed

- Faster access to local content
- Reduced speed and Latency to Critical Services Locally ( <10ms within Lagos, <60ms outside Lagos)

### Flexibility

- Retain your existing WAN/MPLS Provider while connected to NCS.
- Scale Workload/Resources with Ease

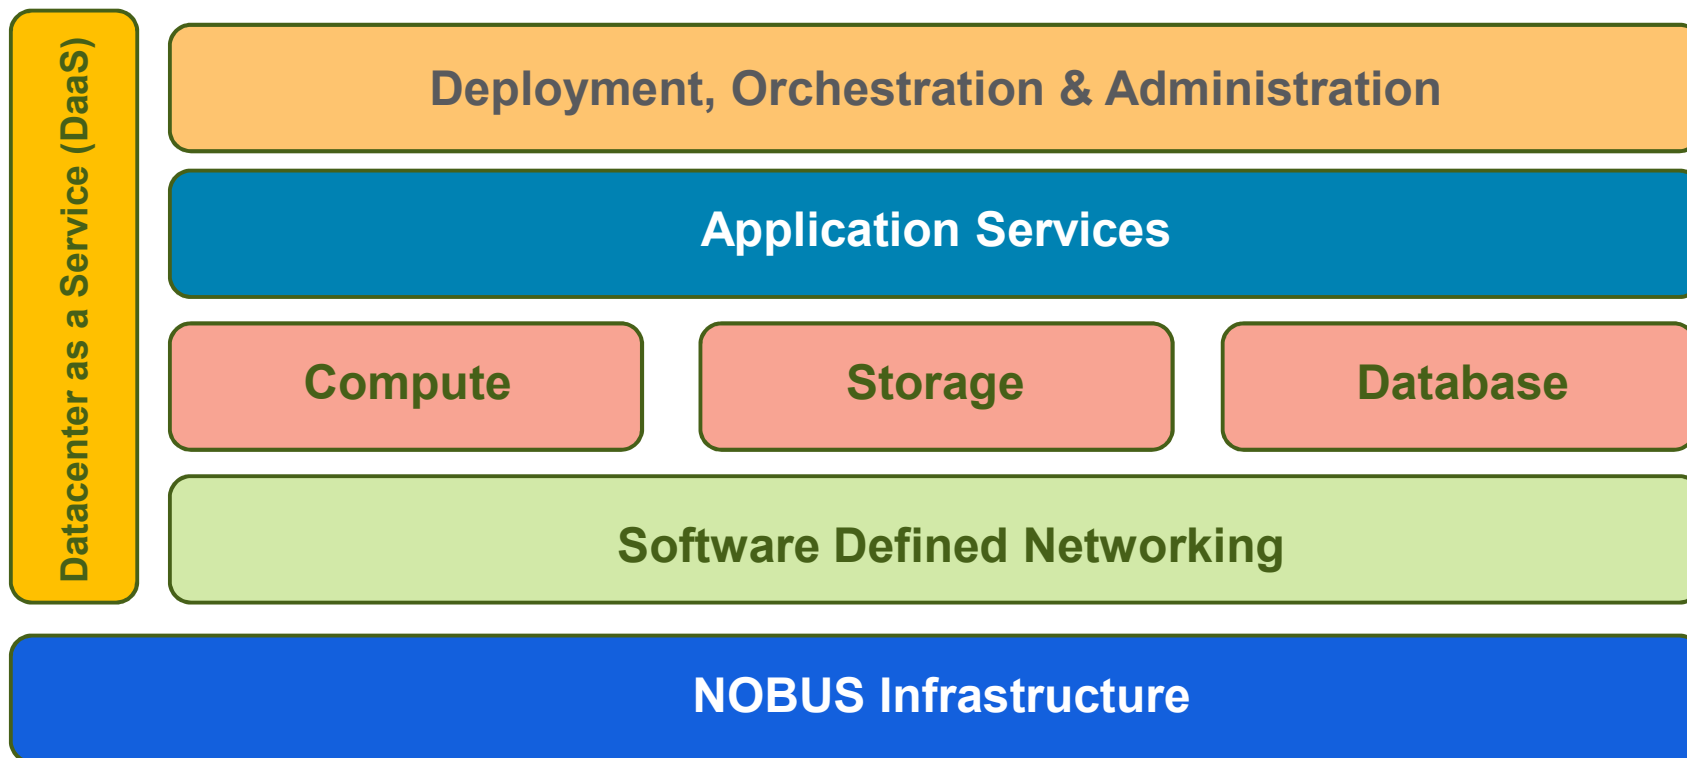

### Agile Provisioning & Management

- Deploy your workloads within minutes
- Automate Workload Provisioning & Scaling
- Easy self service provisioning & management

### Security

- Standard Security Controls bundled free with service
- Adv. Sec. Controls & OEMs available
